

Experience the comfort of exceptional quality.

From the finest finishes, to the most modern stainless steel appliances, an Affinity living space breathes satisfaction into every day. Your home features the uncompromising quality of Kohler fixtures in both your bathroom and kitchen, matched with a stainless steel appliance package which includes a slide-in gas range with an over-the-range microwave, refrigerator with bottom mount freezer and an integrated panel dishwasher.

Your granite countertops with under mount sink and glass mosaic backsplash beautifully offset your fixtures, creating a rich, luxurious kitchen space. The laminate hardwood flooring throughout your living areas create a natural, refined environment for a distinctly modern lifestyle. Make your home your own with a choice of designer-selected colour schemes, wenge or graphite, created for Bosa by award winning Cristina Oberti.
